As a parent/guardian, you have the right.....

- To ask for a meeting with your school principal or teacher at anytime
- To know how your child's school is rated on state test scores
- To expect regular communication with your school in a language that you can understand
- To work with other parents and staff to develop a school-level parent compact between the school and its families
- To work with teachers, parents, and administration to develop your school's family engagement plan
